

Corporate Social Responsibility (CSR) activities are very important part of culture at **KisanKraft Limited**.

1. In FY 2018-19 we have supported computer education among under privileged children through following projects by a non-profit organization **M/s Computer Shiksha**:
  - a. Company has funded purchase of 70 Laptop Computers to be supplied to different schools for computer education, based on the analysis by Computer Shiksha of what equipment the schools would require. These computers are benefiting approximately 900 students in 8 schools. Following is a picture of a school benefitted under this program:
